

# CP-728

## CHLORINATED DEGREASER

### DESCRIPTION

This product is a specially formulated concentrated high foaming chlorinated degreaser for removing stubborn stains and greasy soils from cutting boards, tile and grout, sinks, walls, equipment, etc. May also be used on rubber or vinyl surfaces, but must be rinsed immediately after using.

### DIRECTIONS

**NOTE:** This product MUST be diluted before use. Failure to do so may result in damage to equipment or certain surfaces. Wear rubber gloves, eye protection and protective clothing before using. Before using, remove all food products and packaging materials from the area, or carefully protect from contact.

**FOR GENERAL CLEANING AND BLEACHING:** Dilute 1 part product per 20 parts water. (approx. 6.4oz. per gal.)

**FOR HEAVY DUTY CLEANING AND BLEACHING:** Dilute 1 part product per 10 parts water. (approx. 12oz. per gal.) Spray or sponge diluted product onto area to be cleaned and allow stains to disappear before rinsing. Scrubbing or brushing may be necessary for heavily soiled or stained cutting surfaces. After using this product, all surfaces in the area must be thoroughly rinsed with potable water.

### PRODUCT PROPERTIES
